Dear Sid:

Reference is made to your Proposal CMCC Doc. No. 15115.1147 for the unit and system environmental testing and flight testing of System 4.

The test program outlined for Customer No. 3 has been reviewed and approved by Customer No. 3.

However, Customer No. 3 has requested that you advise their office of the results of the system environmental test on No. 104 and 105 so that a determination can be made as to the requirement for continuing the test on No. 106 and 107.

Very truly yours,
